

SILVERSTONE METROPOLITAN DISTRICT NO. 3

2019 BUDGET

SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

In accordance with its Service Plan, SilverStone Metropolitan District No. 3, formerly known as Miner's Village Metropolitan District, (the "District") was formed to finance the necessary public improvements to be constructed on the property known as "Miner's Village," which is located in Frederick, Colorado. Such public improvements include, but are not limited to, storm drainage, water, sewer, utilities, streets, traffic and safety controls, and parks and recreation improvements.

The Service Plan provides the ability for the District to impose a maximum mill levy for the combined debt service and operational and maintenance requirements of the District. The Service Plan also provides a combined new money revenue and general obligation debt limit of \$50,000,000 for SilverStone Metropolitan District Nos. 1, 2 and 3, exclusive of surety requirements, but inclusive of organizational costs, financing costs and costs of construction and operation of public infrastructure. To date, the District has not issued any general obligation debt and does not anticipate issuing such debt in 2019.

The District prepares its budget on the modified accrual basis of accounting and the budget has been adopted after proper postings, publications and public hearing.

Revenue

Ad Valorem Property Taxes

The primary source of revenue for the District is property taxes. Property taxes are assessed and collected based upon the assessed value of all of the non-exempt property located within the District. The District adopts mill levies for debt service and for operations which, when combined with the District's other sources of revenue, provide sufficient resources to pay for required debt service, if any, capital purchases and estimated costs of operations for the calendar year.

Commencing on January 1, 2018, the residential assessment ratio was reduced from 7.96% to 7.20%. Pursuant to the Service Plan and the Gallagher Amendment, the maximum mill levy limit was automatically adjusted by the same ratio, to a maximum of 55.275 mills. The District adopted a mill levy of 55.275 mills for general fund expenditures in 2019.

The total taxable assessed valuation within the District in 2018 was \$124,570, a decrease of \$98,610 from the 2017 valuation.

Specific Ownership Tax

Specific ownership tax revenue is collected on annual motor vehicle registrations within Weld County and is distributed based upon the proportion of property taxes levied within the County during the preceding calendar year. The specific ownership tax revenue is estimated to be 5% of the ad valorem property taxes collected in 2019.
